FOR IMMEDIATE RELEASE

Louisville-based artist **John Lee** follows the sold-out first edition of long-running online comic strip, **Suburban Tribe** with **Suburban Tribe #2** this fall. The limited-edition comic book continues the storyline from **Suburban Tribe #1** along with all-new strips of Lee's editorial comic, **The Permutation of Stupidity**. A third issue and trade paperback are expected by year's end.

A 1994 graduate of Western Kentucky University, Lee has produced the daily strip since January of 2003. His memorable characters and complex storylines have made **SuburbanTribe.net** a popular and acclaimed presence in the webcomics arena, drawing more than ten thousand unique visitors weekly.
